Introduction

This report has been written to introduce you to the concepts of astrology and how to get started in relationship astrology. Astrology is a complex and meaningful science which takes years to study and apply successfully; however, we would like to whet your appetite with this report, and encourage you to deepen your understanding through other means.

Astrology is a study of the connection between planets and life on Earth. It is based on a concept that energy patterns form between other planets and Earth and that these energies affect our lives as individuals and communities.

An astrological chart, also known as a horoscope, natal chart, or birth chart, records the relationship between the planets and the signs of the Zodiac. Charts can be calculated for the birth of a person, a community, an event or anything that seems momentous. The horoscope is as individual and unique as a fingerprint.

When using these interpretations, please bear in mind that, inevitably, every chart will contain some contradictory influences, and as a result certain interpretations of different items in the same chart may seem difficult to reconcile. However, this may still be an accurate reflection your chart, as it is likely that you do experience conflicting desires, events and circumstances in your life. Usually it is the responsibility of an astrologer to synthesise these apparent contradictions in order to present a cohesive and realistic interpretation of the dilemmas of the chart.

Please also be aware of the fact that each person has positive and negative influences in the chart, and therefore in their lives. The challenge is to accept and overcome the negative influences, so that we can successfully focus on the positive traits. This report outlines the influence of both people's charts on each other. This is called relationship synastry meaning the comparison of two horoscopes and the correlations discovered. It is likely that the report will show both the strengths and weaknesses of the relationship synastry. Any advice given is meant to be an aid to a person taking responsibility for their own lives and their own choices within a relationship. The ultimate decision rests with each individual. The author and publisher accept no liability for any adverse affects of this report.

GLOSSARY OF TERMS

ASPECTS in ASTROLOGY

In astrology, an aspect is defined by the angular distance between two planets. The nature of the aspect depends on the number of degrees separating the two planets. Aspects are of utmost importance in assessing the natal chart because they help in identifying the nature of the relationship, whether hard or soft, between the energies released by the planets involved, which constitutes all the complexity and richness of the personality.

Aspects express themselves more or less strongly according to their importance, or lack of. Moreover, angles between planets never exactly match the standard definition of aspects. Thus, the exactness of the aspect, referred to as "orb" in astrology, is to be considered. If the orb is tight (almost exact aspect), the aspect is more powerful. If the planets are linked by a wide orb aspect, their influence is less strong. Each aspect is allowed a different orb, and traditionally, some astrology schools assign them slightly differing coefficients.

In natal charts, usually accepted orbs (exactness of aspect) are 9 to 10 degrees for oppositions and conjunctions, 7 to 8 degrees for trines and squares, 4 to 5 degrees for sextiles, 2 degrees for quincunxes and sesqui-squares, around 1 degree for semi-sextiles and semi-squares, and often 0.5 to 1 degree for quintiles and their family (semi-quintiles and bi-quintiles).

Much smaller orbs are used in forecasting and synastry works because these techniques require that aspects be more exact if they are to be efficient.

Orb

An aspect between planets or sensitive points is usually allowed some inexactitude, which is called its orb of influence. This comes from the idea of a halo or aura surrounding a planet, comprising its rays. Traditional astrology allows different orbs for each of the planets, but modern astrology works primarily on an orb of aspect. Major aspects are allowed a greater orb than minor ones. For example, a conjunction is usually allowed an orb of 8 degrees, whereas a semi-sextile would only be allowed an orb of 2 degrees of arc. The Moon is usually allowed more orb than other planets, while faster planets are allowed more orb than slower ones. Greater orb is allowed in natal astrology than in mundane, where timing is more critical.

Aspect Definitions

Conjunction

As indicated by its name, it is formed when two planets are on the same degree, or when they are very close to each other, usually within an 8° orb of arc. The conjunction takes a positive or negative influence, depending on the other aspects formed. It can also be neutral. It may also depend on the nature of the two planets involved. Its function is to combine and blend the characteristics of the planets' energies. A conjunction is usually a helpful energy which creates self-nurturing, inner strength and ambition. Depending on the planets involved, it can also create intensity, stress and confusion.

Quincunx

An angle of 150°, this is a very interesting aspect which takes its nature from both the trine and the square. It unites two energies of different elements and modalities, blends their characteristics, and offers their assets to the native, but on condition that on the one hand, he accepts to put up the required efforts, and on the other hand, that the planets involved are not of opposite nature, and preferably, that they are complementary (Mars and Venus, Mercury and Uranus, the Sun and the Moon, etc.). The quincunx often coincides with situations in which matters seem to be somehow out of joint or where adjustment of some kind is required. Classed as inconjunct and considered particularly unfortunate by the ancients, this aspect is not thought unduly malefic by many modern astrologers, but rather calls for tweaking and adaptation in order to make things run more smoothly.

Opposition

A generally adverse aspect of 180 degrees, this aspect connects two planets which are at opposite poles of the chart, and are thus, in two complementary zodiac signs. Such planets are said to be in opposition. They are in contradiction with each other and try to gain the upper hand on the other one, which results in the native's being psychologically torn between the two poles of the opposition. Traditionally, it is considered a negative aspect since it brings about tensions, but it allows to evolve if one strives to master its contrasts. At maturity, it is possible to turn the tension into an asset and strength by harmoniously blending the characteristics of the two planets so connected.

Semi-sextile

A minor benefic aspect of 30 degrees. Some traditional astrologers do not count this as an aspect, due to the phenomenon known as Aversion. Considered rather harmonious. Actually, it proves quite delicate because two

adjacent signs are always very different from each other, and you can have fun checking them out. In transits, this can indicate a mildly irritating time.

Semi-square (semi-quadrate)

A minor adverse aspect of 45 degrees, deriving from Kepler. Also known as octile. It is an aspect of tension like the square, though much weaker. As such, it makes the native move ahead and evolve, but in a less intense way than the square.

Sextile

A benefic aspect of 60 degrees. Stimulating and dynamic, stirring people into action positively. Like the trine, it is beneficial and is a factor of harmony between the planets involved. However, its effects are more concrete than with the trine and are expressed more outwardly. In practice, this aspect is considered the aspect of communication par excellence. The planets involved perfectly and actively exchange their energies.

Square

Major challenging aspect which is formed when two planets are 90 degrees apart. Like the opposition, it is an aspect of tension, with the planets in constant conflict, and the native strongly feeling their struggle. In order to overcome them, he must continuously fight against the difficulties set by their energies. The aspect endows with strength and the ability to overcome a great many hurdles in life, provided that the person has much courage and tenacity. Leaders and people with exceptional destinies often have many squares in their natal chart. Squares prevent them from keeping still and prompt them to continuously move ahead, create, and evolve, since immobility is difficult to bear when such constant tensions crop up. The square is the most interesting aspect, even though it is obviously desirable to also have a few soft aspects such as sextiles and trines.

Trine

Major favourable aspect of 120 degrees which is formed when two planets are positioned in signs belonging to the same element, and are thus compatible. Such planets support each other and create a feeling of well-being and easiness since they are in harmony with each other. It is an aspect of good luck and psychological comfort. However, it can lead to self-indulgence and passivity. Indeed, too much easiness is no incentive to effort...As indicated by its name, it is formed when two planets are on the same degree, or when they are very close to each other. The conjunction takes a positive or negative influence, depending on the other aspects formed. It can also be neutral. It may also depend on the nature of the two planets involved. Its function is to combine and blend the characteristics of the planets' energies.

ASPECTS FROM BRAD PITT TO ANGELINA JOLIE

Emotional Style

Brad's Moon Quincunx Angelina's Mercury

Orb 0°30' Separating

Arguments can cause upset feelings in a relationship with this combination of planets. All types of associations can suffer some setbacks under this influence, but personal relationships are particularly fraught with difficulties. Friction seems to result no matter how Brad and Angelina try to approach each other on intimate matters. Brad and Angelina's relationship suffers because of unspoken problems, or perhaps either Brad or Angelina speaks their mind too often. Either way the problem is communication. No matter how hard both Brad and Angelina try they cannot seem to understand each other's way of seeing things and how each other feels. Brad communicates on an intuitive or feeling level whereas Angelina is the more rational thinker. As a result Brad and Angelina alternate between passion and rationality, having difficulty understanding the other person. Brad and Angelina's behaviour seems at odds with their needs, and they do not seem to be able to comfortably settle down in the relationship. On a more positive note Brad and Angelina may not mind a little friction in their intimate relationship. However, it's more likely that Brad and Angelina would both do well to work on their communication skills. As a result Brad and Angelina can develop skills which help to overcome the problems enabling them to better understand each other.

Brad's Moon Opposition Angelina's Venus

Orb 5°19' Applying

When planets combine unfavourably in personal relationships it can produce either sparks, which excite both parties, or friction. Either way a challenge is presented which needs to be met in order to succeed in the long term. With this combination Brad and Angelina have difficulty expressing their feelings and often feel misunderstood by each other. Brad and Angelina have trouble relaxing and feeling at ease with each other. There is a lack of harmony that troubles them. Brad and Angelina sometimes feel that they are battling to find shared activities that they can both enjoy. In extreme cases they may feel that they are fighting against the other person's involvement with an absorbing pastime. Or perhaps they feel that their partner stands in the way of them really enjoying their own pleasurable pursuits. No matter how much Brad and Angelina want to enjoy themselves, their partner seems to be standing in opposition, or determined to do their own thing. Depending on other aspects of their relationship and the nature of the combination of these planets, this can be a real problem. It's also likely that they have difficulty deciding how to save and spend their money. Brad is likely to feel some insecurity in the relationship. Angelina is likely to feel that the Brad's feelings and insecurities are holding her back from relating to other people and the world in the way that she wants. On a more positive note this combination can add a spark to life and keep Brad and Angelina willing to resolve difficulties to a satisfactory conclusion.

Brad's Moon Square Angelina's Jupiter

Orb 5°24' Separating

Although there can be some difficulties with this combination, on the whole this is a positive combination. Brad and Angelina enjoy each other's company and feel a certain zest for life when together. Brad and Angelina share a need for fun-filled adventures and the capability of achieving their goals. They both feel that the world is their oyster which is ready to explore together. This can include holidays in far-away places, adventure travel and also encompasses any activity which expands their minds and views of life. This is a meeting of

higher-minds. Brad feels that Angelina expands his horizons. Brad feels safe and appreciated in this relationship. Angelina knows that Brad is a comrade in arms when it comes to fun and adventure. Angelina knows that she is truly appreciated for her generosity and optimism. Together Brad and Angelina can conquer the world. Nothing seems too far-fetched. And this is where problems can lie. It is possible that neither Brad nor Angelina know when enough is enough. There is a saying that 'you can have too much of a good thing'. This is one of the underlying problems of this association. Brad and Angelina need to make sure that they do not become too grandiose in their dreams. Overinflated ideas of their capabilities are not helpful and can lead both Brad and Angelina into troubled waters. Another complication can arise if Brad and Angelina do not share the same values, because morals and beliefs play an important role in this relationship. However, if Brad and Angelina share the same beliefs and can exercise some restraint this can be a positive combination for a long-term relationship.

Brad's Moon Opposition Angelina's Saturn

Orb 5°27' Separating

Many astrologers believe that a connection between the serious planet Saturn and a personal planet such as the Moon is important, enabling the relationship to be long lasting. However, this can also be a difficult connection. Brad and Angelina can both suffer from feelings of discontent and insecurity within this union. They work hard to cover up their sense that some emotional warmth is lacking, but there are times when they despair of getting their needs met. Brad feels this lack of emotional warmth keenly. It is difficult for him to relax and feel truly appreciated in this relationship. Angelina brings a certain coldness to the union, finding it difficult to generate emotional warmth. Angelina may feel that her attempts at intimacy are misunderstood and met with an overly-emotional reaction from Brad. Much work needs to be done in order to understand each other. On a positive note this combination of planets can indicate a committed to resolve difficulties. Therefore Brad and Angelina have the strong possibility of being able to stay in this relationship on a long-term basis and reap the rewards of a stable and secure union. A satisfying relationship can result from Brad's and Angelina's patience and persistence.

Brad's Moon Square Angelina's Uranus

Orb 5°58' Applying

The saying 'expect the unexpected' could be applied to this combination of Brad's and Angelina's planets. There is an element of excitement and adventure when Brad and Angelina get together, but there is also an element of insecurity. Both Brad and Angelina enjoy the thrill of being in each other's company exploring new territories together, but many relationships start with the thrill and ardour of romance only to have it fade later. This is the problem to be faced by Brad and Angelina. Unless they have other connections between more permanent or personal planets in their charts, Brad and Angelina are in danger of a growing discontent. There is a lack of stability that feeds both Brad's and Angelina's insecurities. Brad becomes needy and Angelina becomes distant and emotionally withdrawn. The problem is that Brad feels that he cannot rely on Angelina. What was once an adventure no longer seems so exciting. As a result Angelina's impulsive nature becomes a source of discomfort for Brad. On the other hand Angelina thinks that her creativity is being stifled by Brad's emotional needs. This belief may cause Angelina to rebel, finding it difficult to commit to Brad. This relationship, if a personal one, is likely to require a lot of freedom and an unorthodox approach in order for it to last. While this is a difficult combination for a personal union, it can be a positive one for less personal relationships such as friendships or a working project which requires creative and innovative ideas.

Brad's Moon Square Angelina's Chiron

Orb 3°56' Applying

Compassion is needed if this union is to overcome the difficulties presented by this combination of the Moon and the asteroid Chiron. Ultimately this can be a healing relationship, one that presents both Brad and Angelina with opportunities to heal past emotional wounds and head in new directions. However, initially they have to overcome old hurts that stand in the way of honest communication. Unwittingly, Angelina is likely to spark Brad's painful memories. This could be by saying the wrong thing at the wrong time, or by her actions. Brad's memories may have been forgotten, only surfacing in fragments. Brad may have difficulty connecting the current day events with the past associations. Either way the force of Brad's reactions may surprise both Brad and Angelina. The onus is on Brad to find a way to understand his emotional reactions, to heal the past and move on in life with renewed self-confidence and understanding. Angelina also needs to become more aware of the effects of her behaviour on other people. A gentle and loving approach is often needed. Perhaps Angelina is preparing to become a teacher or healer and needs these valuable lessons.

Identity and Personal Compatibility

Brad's Sun Opposition Angelina's Mercury

Orb 3°32' Separating

The importance of communication in relationships cannot be emphasised enough. Without understanding of another person's point of view and the ability to communicate one's own thoughts and feelings a relationship can easily breakdown. This is a difficult combination for communications in a relationship. Brad and Angelina have difficulty understanding each other's point of view. They cannot communicate their thoughts and feelings easily. Consequently Brad and Angelina have trouble being together and a certain tension exists in the relationship. Brad needs to be wary of having too much pride, of trying to override Angelina's views through sheer force of personality. Brad takes a superior attitude to Angelina, which proves detrimental in the long run. Angelina feels misunderstood, knowing that her ideas are so different to Brad's. There is a danger that Angelina starts keeping her thoughts to herself thereby blocking any chance of communications improving. As long as both Brad and Angelina continue to try to overcome these obstacles then their union has a chance for success. They may find it of benefit to take time out and write down their thoughts and feelings during times of stress rather than speaking on the spur of the moment.

Brad's Sun Sextile Angelina's Uranus

Their relationship may run a somewhat erratic or unorthodox course, but Brad and Angelina are both happy in the knowledge that theirs is a unique union. Brad is excited by Angelina's creativity, which somehow enhances his personal goals. Angelina helps Brad to see life in a new and different manner, freeing Brad from past inhibitions. Angelina knows that she has encountered someone who truly appreciates her as an individual. Angelina can better express her original thoughts and ideas as a result of her relationship with Brad. Together Brad and Angelina may explore an unusual hobby or pastime such as new technology, metaphysics, science, electronics, humanitarian or environmental concerns.

Brad's Sun Trine Angelina's Chiron

Orb 0°54' Applying

This is a life-changing relationship that results in both Brad and Angelina being presented with opportunities to heal past wounds in order that they may live fuller and richer lives. Together they enjoy a sense of liberation that comes from truly loving another person. Angelina is more likely to take the role of teacher or healer, having a significant effect on Brad's life choices. In this role Angelina is also challenged to take a long, hard look at herself before imparting her wisdom. The adage "physician heal thyself" could be a theme for Angelina. In return Brad learns much from Angelina's experiences and insights, perhaps even discovering his true-life purpose. This is true for intimate relationships, and also for student-teacher and patient-healer liaisons. Either way this can be a gentle, loving union based on mutual respect and compassion.

While it is most likely that this relationship is an intimate one, it can also indicate a friendship, family or work association. In most cases this combination is a positive one, but it can also denote a union in which conflict is difficult to resolve and as a result battles abound. On a positive note Angelina provides the initiative to help Brad achieve his goals. Brad appreciates the drive and direction provided by Angelina. Problems may arise when Angelina turns her attention away from the relationship disappointing Brad with her lack of support. The challenge is for both Angelina and Brad to keep this relationship moving in a positive direction through understanding and patience.

It is possible that this relationship could falter under the demands of daily practicalities. This combination can indicate an association based on mutual spiritual, artistic or philanthropic interests, but it is most likely in a romantic union.

Intellectual Needs & Desires

Brad's Mercury Square Angelina's Moon

Orb 3°01' Applying

Arguments can cause upset feelings in a relationship with this combination of planets. All types of associations can suffer some setbacks under this influence, but personal relationships are particularly fraught with difficulties. Friction seems to result no matter how Angelina and Brad try to approach each other on intimate matters. Angelina and Brad's relationship suffers because of unspoken problems, or perhaps either Angelina or Brad speaks their mind too often. Either way the problem is communication. No matter how hard both Angelina and Brad try they cannot seem to understand each other's way of seeing things and how each other feels. Angelina communicates on an intuitive or feeling level whereas Brad is the more rational thinker. As a result Angelina and Brad alternate between passion and rationality, having difficulty understanding the other person. Angelina and Brad's behaviour seems at odds with their needs, and they do not seem to be able to comfortably settle down in the relationship. On a more positive note Angelina and Brad may not mind a little friction in their intimate relationship. However, it's more likely that Angelina and Brad would both do well to work on their communication skills. As a result Angelina and Brad can develop skills which help to overcome the problems enabling them to better understand each other.

Brad's Mercury Square Angelina's Jupiter

Orb 1°19' Applying

This combination of the planets Mercury and Jupiter can indicate a relationship in which both Brad and Angelina are inspired by the meeting of two minds. However, it is important that they show some restraint in their activities. When Brad and Angelina get together they are both eager to discover new worlds. They enjoy broadening their minds through overseas travel or by learning about different cultures in books and study courses. Philosophy, metaphysics and religion are topics of conversation which stimulate and expand their minds. It is also possible that Brad and Angelina pursue activities connected with philanthropic or philosophical ideologies. In moderation this can be beneficial to the relationship. However, there is a tendency towards grandiosity. Both Brad and Angelina encourage each other to greater feats of learning or adventure without realising when it is time to call a halt. This can result in irresponsible behaviour. They also need to be wary of becoming too gullible in their efforts to follow a personal philosophical belief. It is important that both Brad and Angelina learn to temper their activities.

Brad's Mercury Opposition Angelina's Saturn

Orb 1°17' Applying

A lasting union is indicated by this combination of the planets Mercury and Saturn, but only if the pitfalls are avoided. The problems could include poor communication, judgmental or critical attitudes to each other or a fear of intimacy. On a positive note both Brad and Angelina share a mutual respect for each other and are willing to work towards sound

communication. However, they are likely to strike obstacles along the way, which will test their commitment. If Brad and Angelina can overcome these obstacles then they will strengthen their bond. If not, one or both of them is likely to feel imprisoned by the relationship. It's also possible that Brad's self-esteem is adversely affected if Angelina is too critical. A personal relationship is the most difficult to balance with this combination. A working relationship is also a challenge.

Relationship Values and Romantic Style – What you look for in a Partner

Brad's Venus Quincunx Angelina's Mercury

Orb 1°09' Separating

A positive blend of the personal planets of Mercury and Venus is a desirable one for an intimate union, and certainly advantageous to any association that requires harmony and collaboration. Therefore it is unfortunate that this combination is a difficult one. This association of planets indicates incompatibility in a relationship. No matter how hard Angelina and Brad try they find it hard to relax in each other's company. Disharmony seems to infiltrate their union at every turn. The problem is that Angelina and Brad simply cannot find any common ground for agreement. Their opinions and values clash, which makes any shared activities fraught with tension. In particular Brad feels that he is subjected to Angelina's unnecessary criticism. Brad feels unappreciated and lonely, unable to share warm and loving moment required in his relationship. On the other hand Angelina believes that she cannot express his opinions freely without being misunderstood. Angelina loses confidence in her communication abilities and possibly withdraws her attention from the relationship. The extent of the difficulties in this relationship depends on other aspects of Angelina and Brad's association. The positive side is that Angelina and Brad are attracted to each and can work towards improving their communication skills. In this way they may learn to value each other.

Brad's Venus Opposition Angelina's Venus

Orb 4°41' Applying

A love relationship can both benefit and be adversely affected by this combination of the planets Venus. Ancient astrologers considered the planet Venus to have most beneficial effects and this can be seen clearly in relationship astrology. Both Brad and Angelina are attracted to each other, seeing the very best of themselves reflected in the other person. On the whole they enjoy each other's company, making the most of their joint interests. Brad and Angelina are likely to enjoy various pleasurable outings ranging from alfresco meals to visits to the theatre. However problems arise once the initial attraction wears off and they start to disagree on how their relationship should be approached e.g. the blend of freedom and closeness, intellect and emotion, personal time and social activities to name a few. Then it is more difficult for Brad and Angelina to make the most of their relationship. Their success in overcoming these difficulties depends on other aspects of their relationship. This combination is more common in love relationship, but can also indicate a friendship.

Brad's Venus Square Angelina's Uranus

Orb 5°20' Applying

This combination of planets indicates an instant and vital magnetism. It is the type of attraction in which Brad and Angelina take one look at each other across a crowded room and feel the sparks. Romance is alight and the relationship develops at a rapid rate. Friends are amazed as the couple's union becomes more and more intense. However, it is likely that Brad and Angelina have trouble maintaining the excitement in the long term. As the relationship develops the attraction turns to irritation as the passion wears off. In particular Brad feels that his love is being rejected as other interests and pursuits distract Angelina. At

times it is difficult for Angelina to maintain her involvement in this relationship without becoming distracted by other creative interests. These may be scientific, astrological, environmental, technological or political. If other aspects of this relationship do indicate a strong bond, it is likely that Brad and Angelina experience friction in areas such as finances, personal hobbies, home comforts and friendships. The challenge for both Brad and Angelina is to find a balance between freedom and intimacy that suits both of them. If this can't be achieved then it is likely that the relationship fails.

Brad's Venus Square Angelina's Chiron

Orb 3°18' Applying

This combination of the planet Venus and the asteroid Chiron indicates a significant but difficult relationship. Brad and Angelina love each other, either as friends or lovers, but have difficulty avoiding misunderstandings and upsets. The problem is that their union is strongly influenced by childhood traumas. Present-day situations bring memories of previous painful experiences to the surface. Inadvertently Angelina seems to upset Brad's feelings. There is also a tendency for Angelina to blame Brad for all of his problems. Brad needs to develop a strong sense of self-understanding in order that he can make a clear commitment to this relationship. Once committed, Brad would be wise to ensure that his needs are met. In return Angelina needs to develop a sensitive awareness of Brad's emotional wounds. This sensitivity will serve her well in other situations. If the difficulties can be overcome, this union can bring a sense of freedom and joy.

Sexual Compatibility and Conflict

Brad's Mars Square Angelina's Moon

Orb 3°03' Separating

In astrology Mars is the planet of drive and determination whereas the Moon is the planet of feelings. When these two planets form certain patterns the combination can be volatile. In this case there is a lot of friction in the relationship. Angelina is likely to feel overpowered by Brad. Angelina often wonders why she is so easily upset by Brad. No matter how hard she tries to calm her emotions Brad just seems to trigger heated feelings. Angelina feels a strong attraction to Brad, but she is also aware that this is a troubled association. It is likely that Angelina believes that Brad lacks sensitivity to her feelings. Brad also senses the friction, but is perhaps not so bothered by it. Brad is more concerned because at times Angelina seems like a wet blanket. Brad's patience is tested because he feels that he has to console Angelina's feelings before he can achieve his goals in life. Brad also feels a certain excitement in this association, but is aware that the tension can be an obstacle to fulfilment. If both Angelina and Brad are aware of the problems and face them with honesty then an understanding can be reached and a rewarding relationship result. When this occurs both Angelina and Brad begin to feel that their lives have become more effervescent with the advent of this relationship. This combination is most difficult for a deeply personal relationship such as marriage or a close personal friendship. It can be advantageous for a working relationship that requires a lot of hard work and energy. For instance, building a house together may be a good way of using the energy of this combination.

Brad's Mars Square Angelina's Mars

Orb 0°41' Applying

Arguments and tension are rife in this relationship. Both Brad and Angelina have a strong drive to spend time together, but have difficulty heading off disagreements. The problem is that their desires are in conflict. This is true for friends and work colleagues, and also for lovers where the tension can adversely affect sexual relations. At times Brad and Angelina feel as though they are competing against each other. They view each other as egotistical and arrogant, whereas in fact they are both exhibiting these traits in the relationship. The trouble is that both Brad and Angelina are acting as if they are on opposing sides rather than

working in harmony. The challenge is to try to join forces if they want a long-term relationship. A joint activity into which they can direct intense energy could prove helpful. Another tactic may be to give each other plenty of time to pursue separate interests.

Brad's Mars Opposition Angelina's Saturn

Orb 7°22' Applying

This combination of the planets Mars and Saturn suggests a strong commitment in which Brad and Angelina struggle to understand each other. On the one hand both Brad and Angelina are committed to making this partnership work. On the other hand they face almost insurmountable difficulties along the way. Ancient astrologers consider the planets Mars and Saturn to have a harmful effect on humanity. Therefore this relationship is in grave danger of causing emotional or physical damage to both Brad and Angelina. The trouble is that they are both determined to force their own egos on to each other, and can be quite brutal in their efforts to get the other person to do as they wish. They lack understanding and respect for each other. Brad tries to force his methods on to Angelina, only to meet Angelina's stubborn refusal to budge on certain matters. The challenge is a big one in this union. Both Brad and Angelina need to carefully consider the future of this relationship, knowing that only mutual respect and caring communication can shine a light on their difficulties.

Brad's Mars Square Angelina's Pluto

Orb 3°30' Separating

This is a passionate and explosive relationship fraught with hidden tension. It is difficult for both Brad and Angelina to conquer their own strong feelings about this association. There is a real danger of this relationship becoming an emotional battleground. Brad and Angelina try to communicate in a calm and loving manner, but their union is fraught with deep-seated problems which continually surface in an explosive manner. The result is that they both become embroiled in a fight for supremacy. There is also a danger for this relationship to become emotionally and physically abusive. Angelina feels threatened by Brad's drive and initiative and compensates with controlling behaviour. As a result Brad rebels. There is a clash of wills. A long-term intimate bond is a difficult goal with this combination of the planets Mars and Pluto. However, it is possible to direct the passion that Brad and Angelina feel for each other into a positive pursuit. Perhaps a challenging home-renovation project, or a demanding sports activity or a regular workout at the gym could help alleviate the pent-up emotions.

Brad's Jupiter Opposition Angelina's Pluto

Orb 3°19' Separating

Obstacles are strewn along the path of this relationship because of the difficult combination of the planets Jupiter and Pluto. On the one hand Brad and Angelina feel a compelling need to relate to each other. On the other hand they find their opposing values a formidable hurdle. The problem is that they fail to understand each other at a deep level and yet this is an important component in their relationship. Brad believes that he attempts to take an honest approach to his partnership, but is undermined by Angelina's insistence on delving beneath the surface. Angelina is frustrated in her efforts to get to the bottom of matters. She is particularly angry when she perceives that Brad contradicts himself. Their challenge is to find personal meaning in their own lives, while respecting the other person's values and beliefs.

Need for Structure and Commitment

Brad's Saturn Trine Angelina's Sun

Orb 5°43' Applying

Many astrologers believe that a connection between the serious planet Saturn and a personal planet such as the Sun is important, providing the cement for a long-lasting relationship. In other words a serious planet is needed for a serious, meaningful union such as marriage. It is certainly true that the combination of the Sun and Saturn is found in many, meaningful relationships. However, the harmful planet Saturn can also cause problems. The extent of the problems varies according to the astrological aspect. Certainly this combination indicates that Angelina and Brad both view this as a serious association, whether it is a marriage, friendship or a working partnership. Both Angelina and Brad are committed to their association. It is likely that they experienced a strong attraction in the initial stages of their relationship, and it is likely to be long lasting. When Angelina and Brad first meet they each know they have discovered a potential serious relationship, one to which they can commit

and build on over a lifetime. If they believe in reincarnation, then it is likely that they feel a karmic attraction, a moment of recognition when they first look into the other person's eyes. However, the very qualities, which they seriously considered as attractive in the initial stages of the relationship, can become the source of friction if they are not careful. In particular, Brad needs to be wary of becoming too critical and judgmental. Initially Brad found Angelina's personality traits to be worthy of a committed union. He admired Angelina's qualities as complementing his own. However, it is easy for Brad to forget this attraction. As the relationship develops he feels threatened by the force of Angelina's personality and takes a superior attitude in defence. As a result Angelina feels threatened, disliking the authoritarian side of Brad. If Angelina is not careful her self-confidence is whittled away and the relationship becomes onerous. It is vital that both Angelina and Brad work at developing a stable basis for communication and understanding in this relationship. If both Angelina and Brad work at maintaining their own self-confidence as well as mutual respect then they have the makings for a very successful marriage or working relationship. If this is the case they both benefit from the stability offered by this union, growing in integrity in their own lives.

This is an excellent combination for an enduring relationship. Both Angelina and Brad share a mutual respect for each other and are willing to work towards sound communication. They take each other seriously, and are likely to share an interest in a thought-provoking pastime or a business enterprise. Shared values also mean that this relationship has firm foundations for the long term. Angelina and Brad realise early in their association that this is a lasting union. Therefore it is likely that they slowly and surely get to know each other, rather than rushing headlong into a relationship. As a result they eventually form a strong bond. Angelina respects and learns from Brad's wisdom. She is better able to communicate her own thoughts and ideas thanks to Brad's well-received advice. Brad's organisational abilities shine in this relationship. He discovers different methods of approaching activities through his association with Angelina.

Orb 1°43' Applying

A strong bond is formed as a result of this combination of the planets Jupiter and Saturn, in which both Angelina and Brad learn a great deal from each other. In many ways Angelina and Brad take an opposing approach to their relationship. Angelina is more adventurous, keen to explore new territories. She takes a somewhat philosophical approach to this relationship. On the other hand Brad is cautious, often taking a slower and more practical outlook. Fortunately they enjoy these opposing qualities, finding equilibrium in their relationship. Brad finds his day enlivened by Angelina's personality. In turn Angelina enjoys having a stable and patient companion to bounce her ideas off. Brad learns much from Angelina's wisdom, gaining a greater understanding of his own nature. Together Angelina and Brad can achieve much success in either their personal lives or a joint project.

Orb 1°45' Applying

The role of the planet Saturn is important in relationships, particularly partnerships that require a long-term commitment. Both Brad and Angelina's ability to work through difficulties in a positive and compassionate manner play an important part in any combination of relationship planets that include the planet Saturn. This serious planet can represent either stability and security that enhances individual's lives, or restrictions and constraint that eventually erodes confidence. It can indicate a sharing or conflict of values. In this case Brad and Angelina are likely to experience disagreements over their values. They are committed to each other, but have difficulty find common ground on which to build their

relationship. At times both Brad and Angelina feel restricted by the bounds of their partnership. Their challenge is to overcome the obstacles in a patient and understanding manner before fully experiencing the rewards of this union.

Brad's Uranus Square Angelina's Sun

Orb 3°21' Separating

This is a relationship full of verve and romance, particularly in the first throes of love. Angelina and Brad are attracted to each other from the moment that they first meet and continue to experience excitement and joy in each other's company. Despite this sense of adventure, Angelina and Brad may have trouble maintaining a committed, long-term relationship. This combination of the Sun and the planet Uranus suggest more an erratic and thrilling relationship, rather than a stable one. The initial enthusiasm can fade as Angelina and Brad begin to experience the need to accommodate each other's needs and desires in this union. Angelina and Brad are each determined to maintain their individuality, which can present problems for any union that requires compromise. Angelina and Brad both want to do things their own way and become rebellious if the other person presents any obstacles. This is particularly true for Brad, who stresses his individuality and can be unwilling to adjust to the demands of a serious relationship. Brad does not want to be overridden by what he perceives as Angelina's strong personality and may have problems showing a long-term commitment. Likewise Angelina believes that Brad stands in the way of her expressing her true nature. On a more positive note this association brings something new and original into Angelina and Brad's lives and they both feel enlivened as a result. The long-term success of this union may depend on other connections between Angelina and Brad's astrology charts.

Need for Space & Independence

Brad's Uranus Quincunx Angelina's Mars

Orb 0°38' Separating

Sexual attraction plays a key role in this relationship. Angelina and Brad find each other's company exciting both in and out of the bedroom. When Angelina and Brad first meet they experience a thrill. However, it is difficult for Angelina and Brad to maintain the excitement beyond the initial stages of the relationship. An initially challenging union quickly becomes frustrating as both Angelina and Brad try to balance intimacy and independence. Angelina is irritated by Brad's constant need for autonomy and his apparent lack of commitment. At first Angelina finds Brad's independent spirit thrilling and arousing, but she soon becomes threatened and annoyed. Brad grows to dislike Angelina's drive and determination, which he perceives as aggressive and arrogant. The challenge for Angelina and Brad is to allow each other the freedom to follow their individual interests. These moments of separation may help alleviate the growing tension and re-ignite the positive sparks.

Brad's Uranus Square Angelina's Neptune

Orb 0°16' Applying

Although not a major contributor to this relationship, the combination of the planets Uranus and Neptune can cause conflict. The problem is that Brad is looking for intellectual stimulation in this partnership, whereas Angelina is seeking romance. Brad is keen to experience a certain amount of freedom in order to explore his individual pursuits. However, Angelina yearns for romance and sharing in common interests. Their values differ and it is hard to meet in the middle.

Spiritual Connection

Brad's Neptune Quincunx Angelina's Jupiter

Orb 0°37' Separating

When Angelina and Brad first meet they are attracted to each other's spiritual and religious values. Their imaginations are inspired by each other's differing beliefs. However, as the relationship develops the novelty wears off and conflict arises. At first Angelina and Brad may not be aware of the deterioration of this side of their association. It is an insidious process and one that Angelina and Brad find hard to understand. The problem is that their conflicting religious or spiritual values are undermining the success of their union. Secretly Brad believes that he is following the true path. He does not realise that this is a rejection of his partner's values. Angelina is more vocal in her opposition to Brad's convictions. Both Angelina and Brad have difficulty allowing each other to follow their own spiritual truth. Eventually conflict over spiritual matters takes its toll on this association. The challenge is for Angelina and Brad to discover a way in which they can both offer support and understanding for their opposing spiritual or religious values.

Brad's Neptune Trine Angelina's Saturn

Orb 0°35' Separating

The planet Saturn is a vital ingredient in relationship astrology. It is the planet that represents stability and commitment and is seen by astrologers as the necessary glue that holds a relationship together on a long-term basis. Of course not everyone is seeking long-term commitment, but for those who are Saturn is a welcome sign. The planet Neptune indicates inspiration, imagination and dreams. So Angelina and Brad feel strongly drawn to each other, perhaps experiencing a sense that their relationship was written in the stars. In other words they may feel as though they were destined to meet and form a union. This could be a personal relationship or a friendship that involves a spiritual, artistic or philanthropic project. Whatever the form of their relationship, Angelina and Brad enjoy a meaningful bond. Angelina and Brad both approach the relationship from different angles and need to respect each other's differences in order for the relationship to succeed in the long term. Of course they may both agree that their union was destined to be for a short period only. When this association runs a smooth course Angelina provides the structure and security, which enables Brad to fulfil his dreams. In some cases Angelina may act as Brad's manager. In return Brad challenges Angelina's fears, teaching her to break down certain boundaries and follow her dreams.

Transformative Potential of Relationship

Brad's Pluto Quincunx Angelina's Moon

Orb 1°09' Applying

This is an intense and powerful relationship. Angelina and Brad feel a strong attraction to each other, one that seems to unconsciously draw them together. Angelina's and Brad's deep feelings for each other need to be nurtured in a loving manner in order for the union to be long lasting. However, this can be quite difficult for Angelina and Brad to achieve. It's not that they don't love each other, because they do care very deeply. The problem is that at times their intense emotions seem to erupt from nowhere. In fact the feelings have been simmering under the surface ready to be expressed at any moment. The pressure builds up quickly between Angelina and Brad and before they know it they are embroiled in an emotional drama. Of course this can vary, depending on how Angelina and Brad handle intense feelings. Some individuals thrive on intensity, while others feel threatened and powerless. Angelina is likely to feel that her life has been transformed in some way by Brad. It's possible that Brad has changed the way that Angelina feels about the world, making her conscious of things that have been bubbling under the surface for a long time. Life is not the

same for Angelina once she encounters Brad. She may feel powerless, overwhelmed by Brad's volatile nature. The key is for Angelina is able to see through the explosive behaviour to the true heart of Brad and to nurture Brad's goodness. As a result Brad will deeply appreciate the emotional support offered by Angelina. If this does not occur then it is likely that Brad will feel angry about the constant demands being placed on him by Angelina. Brad will start to withdraw and become isolated, only initiating contact in the relationship when he feels at boiling point. The challenge for Brad is to maintain a loving attitude and to give Angelina time to learn her emotional lessons. This is indeed a passionate personal union and one that needs to be loving, otherwise there is a danger of abuse. This combination can also signify a secret love affair in which intense feelings are indeed in the background. It can also depict an intense working relationship in which power struggles abound, but it is more likely to point to a personal union.

Brad's Pluto Square Angelina's Sun

Orb 0°48' Applying

This combination of planets indicates a relationship that is life changing, whether it be a friendship, love union or work association. Both Angelina and Brad feel a powerful attraction for each other in the initial stages of the relationship. It is as if they are both compelled to relate, perhaps even in response to strong opposition from outside sources. Once the exciting first stages of the union have passed, it is likely that both Angelina and Brad become embroiled in a struggle for dominance. There is no longer an impetus for change and the challenge has become wearisome. Now Angelina and Brad's relationship resembles a battleground in which both try to change the other. It is possible that these battles become emotionally abusive, perhaps even violent. It is important for both Angelina and Brad to avoid senseless battles from which neither emerges triumphant. Money may be at the root of the problems, or it could be that sexual matters are a key theme in this relationship. Either way it is likely that Angelina feels overwhelmed by this union to the point where she suffers from low self-esteem. There could be a tendency for Brad to try to bully Angelina that may only make matters worse. Angelina is faced with the challenge of delving deep into her personal resources to find a sense of self-value. Brad is a powerful force in this union and needs to learn how to use his power wisely.

Brad's Chiron Square Angelina's Sun

Orb 2°51' Separating

This combination of the Sun and the asteroid Chiron is a difficult one, presenting both Angelina and Brad with the challenge of reassessing their life goals in order that they may head in new directions. This relationship is a significant one enabling both Angelina and Brad to grow and change, but only after some soul searching. As a result of this union Angelina may discover new talents and a new sense of self and Brad may find a new role as a teacher or healer. However, initially they have to overcome old hurts which stand in the way of honest communication. The path to greater self-understanding is not always smooth and this relationship is one of the lessons on the journey. Through delving into past hurts, this union can be a healing one and through each other Angelina and Brad can learn valuable

lessons. It is important that Angelina and Brad develop compassion and understanding for each other. Otherwise they may unwittingly contribute to further emotional pain.
